25 years after its debut on Rádio Comercial, you can listen to O Homem Que Mordeu O Cão... cute cuddled up to your own O Homem Que Mordeu o Cão. The mascot of the bizarre news radio rubric is now a cute anti-stress plush that you didn't know you needed - and yes, you can do justice to the dog and take it out of the man's mouth anytime you want.

Overall, it can't be easy to spend 25 years between this man's teeth.

A mascote da rubrica de notícias bizarras é o fofo peluche anti-stress de que você precisava e não sabia - e sim, é possível fazer justiça ao Cão e retirá-lo da boca do Homem sempre que quiser. Afinal não deve ser fácil passar 25 anos entre os dentes deste indivíduo.
